13	Letter no. Roc 459/27-28 dated 15th August 1928 from the same officer forwarding the objections received in respect of the byelaws
B.U.D. D	The Deputy Commissioner states that the byelaws have been suitably amended after due consideration of the objections
	From the objections received, it is seen that there is a strong feeling against the levy of octroi on castor oil, sweet oil, kerosene oil —
	the rate fixed for the oils referred to above is only 3 pies per lb. But the rate fixed for ghee and butter are rather high and it is a point for consideration whether the levy of octroi at such a high rate would not work as a hardship on the consumers in a place like Holenarsipur, where such oils are not in as much demand as in Bangalore city

If it is not proper to grant this concession in Holenarsipur only

and in fact no action is taken on these and Bellari in Bangalore city. The Deputy Commr has not given his opinion in respect of the rates fixed by the Municipal with due regard to the local conditions if approved this will be called for

3 The bye-laws have been drafted on the lines of those in Bangalore City with suitable alterations here & there

bye-law no 4) It does not seem necessary to authorise all and connections to inspect the contents of any conveyance. It is enough if the officers of the Octroi Dept are entrusted with this work

no 4) 5) It is not necessary that a Panel Committee should assess the Value of articles. Any person authorised by the Panel and preferably an officer of the octroi dept, if any will perhaps suffice do.

5) As regards refunds, special rules have been framed (Rule 152 of the Land Customs Act) on this behalf for the guidance of municipalities & from the orders under the circumstances. It is for orders whether special bye-laws on the subject are also necessary

These bye-laws regarding refunds are the responsibility of the Municipal Council & both May perhaps Share

15) The word "President or Vice-President" may be replaced by "officer in charge of the octroi kot or warehouse

16) It is better if the storage fee is fixed separately on each article, instead of a common fee for each bundle not exceeding 12 cubic feet in dimension"

As regards refunds, it is a point for consideration whether special rules are necessary in a municipality of this kind, in view of the special rules provided in the Municipal Account manual (Art Rule 152)

29) This need not be included with octroi bye-laws under Sec 52(2) of the Act as separate bye-laws have to be framed on this subject and this may therefore be omitted

As the rate fixed on the articles, the rate of 4 pies per maund on piece goods is rather high and may perhaps be reduced to 3 pies as taken

S i r,

With reference to your letter No. R O C 457/27-28 dated 14th August 1928 forwarding for sanction the draft bye-laws framed by the Holenarasipur Municipal Council for the levy of Octroi within the Municipal limits, I am directed to observe as follows -

1. Bye-law No 4. This bye-law authorises Municipal Councillors to inspect the contents of any conveyance in addition to the officers of the Octroi Department No such provision exists in the bye-laws of other Municipal Councils The necessity for such provision may be explained ~~of the Octroi Department are entrusted with this work.~~

The rate of Octroi fixed on certain articles such as ghee & butter is very high, as compared with those in force in other Municipalities and that the bye-laws are too elaborate Simple rules seem sufficient. I am therefore to request you to be so good as to ask the Municipal Cl to revise the bye-laws suitably and resubmit them with your opinion as regards the suitablity or otherwise of the rates fixed by the Municipal Council, with due regard to the local conditions The bye-laws received with your letter under advertance are herewith returned.
